Notification of Binding Authority Suspension Modification in Iowa (Flood)

Effective: Immediately

November 11, 2019

Dear Agency Partner,

Flood Coverage

Binding authority remains suspended for any new flood coverage (Endorsement P8046) as well as any changes to existing flood coverage in the following Iowa counties:

Fremont, Mills

Please be advised that, while our Policy Issuance system does not restrict the coverage from being selected, **you do not have the authority to bind or modify any flood coverage**. It is important that you make your team aware of the binding restriction to ensure you do not violate the suspension.

Binding Reinstatement

Effective immediately, the flood property exposure binding authority as a result of flooding has been reinstated for Nationwide Private Client (underwritten by Crestbrook Insurance Company) in all other Iowa counties not listed above.

We will post an updated bulletin on the Nationwide Private Client Agent Resource Center when binding authority has been restored.

If you have any questions regarding these changes, please contact your local **Territory Sales Director** or the **Private Client Solutions Center** at 1-855-473-6410.

We thank you for your continued partnership and look forward to unlocking more opportunities.

Regards,

Your Nationwide Private Client Team
